

TANN'18

INTERNATIONAL CONFERENCE OF THEORETICAL
AND APPLIED NANOSCIENCE AND NANOTECHNOLOGY

JUNE 10 – 12, 2018 | NIAGARA FALLS, CANADA

Paper Submission: December 1, 2017

Notification of Authors: December 22, 2017

Early-Bird Registration: January 26, 2018

The International Conference of Theoretical and Applied Nanoscience and Nanotechnology (TANN'18) aims to become the leading annual conference in fields related to nanoscience and nanotechnology.

The goal of TANN'18 is to gather scholars from all over the world to present advances in the fields of nanoscience and nanotechnology and to foster an environment conducive to exchanging ideas and information. This conference will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields. Interested authors, researchers, and industrial experts are invited to register for the conference that best resonates with their technical background. At the same time, attendees are permitted, and even encouraged, to attend talks from co-located conferences.

Submissions in the form of extended abstracts, short papers, and full manuscripts are welcome. All submitted papers will be peer reviewed. All accepted and presented papers will be published in the conference proceedings, under an ISBN reference in a USB drive. The online version of the proceedings will also be published under an ISSN reference and each paper in the proceedings will be assigned unique DOIs by **CrossRef**, and indexed by **Google Scholar**.
